SPECIALIZATION CERTIFICATE

Microsoft

**4 Courses**

**Introduction to Microsoft Power Platform**

**Use Power Platform for Custom & Automated Solutions**

**Power BI & Power Virtual Agents**

**The PL-900 Practice Exam**

Jul 24, 2024

# GUILLERMO ANDRES FANTONI RUBIO

has successfully completed the online, non-credit Specialization

# Microsoft Power Platform Fundamentals

Learners now understand the business value and product capabilities of Power Platform. They can create simple Power Apps, connect data with Microsoft Dataverse, build a Power BI Dashboard, automate a process with Power Automate, and build a chatbot with Power Virtual Agents.
